Attached please find the 2013 Annual Report for the Seattle Housing Levy. For the Director's report this month, staff will provide an overview of the Levy programs and objectives captured in the Levy Funding Policies, specifically the Administrative and Financial Plan (A&F Plan). We will also highlight our 2013 accomplishments and report on progress toward the overall seven year Housing Levy goals and targets.

As always we appreciate the time to share our work, hear your perspective and work collaboratively as we face the challenge of promoting the development of safe, decent and affordable housing for all Seattle residents.
